Teen Entrepreneurs of Las Vegas is a non profit organization. Develops the real life stories of Teen success in business and we provide all services needed, with the generous support of donations and sponsors. Teen Entrepreneurship of Las Vegas promotes the importance of free enterprise and Senator Harry Reid commends our program on teaching the youth the importance of entrepreneurship. New ideas foster innovation and economic growth through entrepreneurial enterprises. Imagine the potential economic impact for the future of the United States if our students had the opportunity to learn how to be an entrepreneur as apart of there standard education. Program is free to all participants.

This program is designed specifically for youth ages 14 years - 17years, the program introduces its participants to the many skills required to be a successful business owner. Created to be as fun as it is educational, the program is committed to developing tomorrow's business leaders, providing a step-by-step approach to business development and management.

Requirements to become a student.

Each participate must submit response to the following brief paragraph in this application.

Present 2 letters of recommendation from prominent figure within the community (e.g. teacher, pastor, business owner, entrepreneur, etc.)

Subsequently, the applicants will be contacted for oral interview in front of a panel, thereafter to be selected as a student for the program.
